

2010 IARBC Ladies' Retreat Registration

Please read carefully and follow the steps to help the registration process be as smooth as possible.

- Assign someone from your church to gather the names of the ladies that are attending, and collect the money from each one.
- Mail the bottom portion of this sheet along with **one check** for the total amount made payable to Iowa Regular Baptist Camp. (The other enclosed form is to help you tabulate the total number of ladies and the total amount needed.)
- Please note the cost of the retreat on the form below. **There will be a \$5 late fee for any registrations postmarked after September 3, 2010. Registration money is transferable to others from your church, but not refundable.**
- Room assignments are made through the camp office. Each church may request their first, second and third preference. Handicap housing requests should be made early, if we are not able to accommodate your request, you will be contacted so other housing arrangements can be made. Groups may need to be split because of limited handicap housing.
- Housing is available on Thursday evening for groups that would like to arrive early. Please call the camp office to check availability. Cost is \$5 per person.
- Pre-registered guests will be met at the camp entrance and directed to your room assignment. If you are **not** pre-registered or have additional ladies to register, you must come to the dining hall to register. **In case of rain, everyone will need to come to the dining hall.** Registration and activities begin at 3:00 p.m. and supper is served from 5:00-7:00 p.m.
