

Diamonds in the Rough *Changed into His Image*

Dear Ladies,

We hope you will set aside September 10 & 11 on your calendar for the State Ladies' Retreat at IRBC. It is our prayer that "Diamonds in the Rough - Changed Into His Image" will challenge our thinking, polish off our rough edges, and send us home reflecting the image of our Savior!

God has been polishing our speaker, Linda Mohler, for several years as a pastor's daughter, a wife for 36 years, a mother of six children, and grandmother of twelve "jewels" in Indiana and Colorado. With a passion for encouraging women from the written and Living Word, she has written and taught several Bible studies for women, is a singer/song-writer, and has been speaking to women's groups for over 18 years. Linda and her husband, Del live in West Des Moines and are active members at Maranatha Baptist Church in Grimes.

We will meet together for the three sessions over the two days of the retreat. Friday night's session will be "The WHY of Change", and Saturday's sessions will be "The WAY of Change" and "The WORTH of Change". In addition, there will be plenty of time for talking, eating, shopping in the bookstore, and enjoying all the activities of our camp!

Other notes:

This year's offering will go to the Iowa Regular Baptist Camp for the Jensen Basement Kitchen and Café.

There will be a "self-serve nursery" for nursing moms and babies only. If there are any social needs, (interpreter for the hearing impaired, etc.) or any other questions, please contact our church office by phone (515)986-9202 or email info@maranathabaptist.org.

Enclosed you will find a poster for display and master copies for bulletin inserts or flyers to use for the promotion of the retreat at your church. We look forward to seeing you in September!

In Christ,
The Ladies of Maranatha Baptist Church, Grimes
