Developing a Disciple-Making Culture in Your Church

Join us for a two-day seminar on disciple-making called, Developing a Disciple-Making Culture in Your Church. Tim Potter, with Arch Ministries, will be teaching the seminar at Maranatha Baptist Church in Grimes, IA on March 30-31.

See the New Testament Imperative

What does Biblical disciple-making look like in a 21st-century local church? How can we overcome years or even decades of inertia to make disciple-making a reality in the local church?

Discover a Disciple-Making Culture

With the increasing demands of pastoral ministry, how does a pastor entrust faithful things to faithful members (1 Timothy 2:2)? How do those members then continue that process? How do we prioritize the mentorship by which Jesus will continue to build His church? Discover how mentorship is happening today in like-minded churches across the country and learn from those who have already begun to train others.

Identify and Encourage Healthy Growth

Healthy growth starts with a humble example. The words of Paul echo through our lives: follow me as I follow Christ (1 Cor. 1:11). Learn how modeling relationships in your family, community, and church are essential as others follow Christ through you.
