Growing Through Parenting Sorrows

Chapel

Dr. Dean Taylor

The prayer and hope of every Christian parent is that their children will grow up to know, love, and serve God. There is no greater joy than having children who walk in truth, and no greater sorrow than when they don't. This session acknowledges the grief of parents whose children do not follow Christ and ways to grow through this deep trial.

Home Sweet Home

The Rock, Refuge (Upstairs)

Dan Fields

What an incredible privilege parents are given when God blesses their home with children. The front yard of our discipling begins with the home, yet that discipling can often be challenging because our children are sinners. Remembering that we are sinners as well will move us to lead with grace and consistently use the truth to shepherd the hearts of our children to delight in Christ.
