

Why this Retreat?

As Pastors and wives, we face many challenges and discouragements as we serve the Lord. God uses His Word and others to encourage us along the way. The Refresh Retreat is an opportunity to hear the Word and to connect with others. To deepen friendships. To laugh and cry. To share burdens, and to listen to the cares of others. To sing and rejoice in what God is doing. I hope that you will plan to come this year so that you might be encouraged and be an encouragement to fellow servants of Christ.
